

## Hungate Garden Project

A short working day last Sunday. We were rained off!

More of the frame for the greenhouse has been constructed, ready for the plastic bottles.

The last of the pavers were placed by the raised beds.

Our next working days will be Saturday 17 and Sunday 18<sup>th</sup> Nov.

If you can lend a hand, between 10am and 3pm, we would be very grateful for the help.
