

Hungate Garden Project

Thanks to a few days of surprisingly warm weather over half term, we are just about there. The brick path is almost complete. We just need about 50 more bricks to finish.

The tyre seats are in place.

The beds have been levelled ready for planting.

A stepping stone path gives a second access to the pond. The palette base for one of the bug hotels has been set by the fence. Another has been set by the water butts.

The first plants!

There is still some tidying to do, but mainly planting still to do when the risk of frost has gone.

A reminder that we will need help with Year 5 to help build the bottle greenhouse on Monday 11th and Tuesday 12th March, 1pm – 3pm.

If you can lend a hand, we would be very grateful.

Many thanks,

Mark Lovett Osgoldcross & Elmet Rotary Club
